

NETRA

Near Eye Tool for Refractive Assessment

[2/19, 12pm-1pm]

[Anderson 212]

Guest Speaker: Jayanth
Shivaprakash (EyeNetra)

Come listen to guest speaker Jayanth Shivaprakash talk about how his entrepreneurial journey helped him end up with an MIT startup known as EyeNetra! EyeNetra is developing a product that is trying to revolutionize vision diagnostics.

Sponsored by the
Tufts Biomedical
Engineering Society
(BMES)

Mr. Shivaprakash and
the EyeNetra team will
be conducting user
experience testing on
people who attend!
Come join us and try
out their product!

For more
information, check
out their website at:
