Over a three year period, from July 2011 through the summer of 2014, the SIS Project will implement the new Integrated Student Information System (iSIS) with PeopleSoft Campus Solutions as its technology core. For more information about iSIS or the SIS Project, email sisproject@tufts.edu or visit go.tufts.edu/sis.

KEY
- During this period, some data will need to be entered in both legacy SIS and iSIS. Please refer to your iSIS documentation for specifics.
- Development items are ABOVE the line; Data Conversion projects (with no web interface, per se) are BELOW the line.
- Dates presented in this timeline are the earliest occurrence of an event at Tufts. Specifically, advisement, course enrollment, and Fall 2013 grading will occur later at some schools.
- General Ledger (GL) feeds begin. Deposits will appear in PS Financials as of December; other data will flow as iSIS makes them available.
- Timeline as of January 2013
