Over a three year period, from July 2011 through the summer of 2014, the SIS Project will implement Tufts’ new Integrated Student Information System (iSIS) with PeopleSoft Campus Solutions as its technology core. For more information about iSIS or the SIS Project, email sisproject@tufts.edu or visit go.tufts.edu/sis.

### SIS Project Timeline

**As of March 2013**

- **July 2011**
  - Project Kickoff

- **August 2012**
  - Course Catalog

- **September & October 2012**
  - Admissions Interfaces

- **December 2012**
  - Deposits**
    - (General Ledger Feeds Begin)
  - Financial Aid: Student Interfaces
  - Schedule of Classes

- **March 2013**
  - iSIS Available to Students to View Academic History

- **April 2013**
  - Fall 2013 Course Enrollment*
  - Advisement*

- **May 2013**
  - Financial Aid Info Available to Students*
  - Meal Plans May Be Changed in iSIS

- **July 2013**
  - Bills & Balances Available to Students
  - Billing, Cashiering & Other Financials (Including Bill Production)
  - Financial Aid: Disbursement Interfaces

- **August 2013**
  - Transcripts

- **September - December 2013**
  - Grading

- **November - December 2013**
  - Graduation

**Development items are ABOVE the line; Data conversion projects (with no web interface, per se) are BELOW the line.**

**Dates presented in this timeline are the earliest occurrence of an event at Tufts. Specifically, advisement, course enrollment, a view of financial aid awards, and fall 2013 grading will occur later at some schools.**

**Key:**
- During this period, some data will need to be entered in both legacy SIS and iSIS. Please refer to your iSIS documentation for specifics.
- General Ledger (GL) feeds begin. Deposits will appear in PS Financials as of December 2012; other data will flow as iSIS makes them available.
