SIS Term Code:

In SIS the Term Code consists of four digits = CYYT (Century, Calendar Year, Term Value).

Century (C)	**1** for 1900-1999 **2** for 2000-2099
Calendar Year (YY)	For example, **"12"** would be entered for all terms that fall in the 2012 **calendar year**.*
Term Value (T)	**2** = Spring Term **4** = Annual Term **5** = Summer Term **8** = Fall Term

*Legacy SIS used the Academic Year.

Term Code Crosswalk

Term	Legacy SIS	SIS
Spring	2012S	2122
Annual	20136	2124
Summer	2013A	2125
	2013B	2126**
	** For converting historical Terms into iSIS, the above conversion is correct. However, *going forward (as of 2014) there will be only one summer Term, with two Sessions*. For example: Legacy Summer Term 2015A will be Term: 2145 Session: A Legacy Summer Term 2015B will be Term: 2145 Session: B	
Fall	2013F	2128
