Lincoln Lego Land Planning Sheet

Our class has chosen to create _____
for our Lego Land.

Our team will be making _____.

Here is what it will look like:

Our structure will include (please check all that apply. You **MUST** use at least one):

- Building a sturdy car (with wheels)
- Building a sturdy stationary structure (i.e. building)
- Programming for Time
- Using a Light Sensor
- Using a Touch Sensor
- Designed Moving or Programmed Element
- Other _____

This is how we will program our structure (cut and paste icons below):
