

### ACCESS ISSUE RESOLUTION FORM

Tufts University is committed to taking steps to ensuring and improving physical and technological access on campus. This reporting form is one of several ways to report a physical or technological barrier which restricts any person's access to campus facilities at any Tufts campus. Barriers may also be reported directly to The Office of Equal Opportunity or Student Accessibility Services.

Please note that submissions using this form may not be reviewed outside of normal business hours. If there is an immediate risk to health or safety, please contact Tufts University Public Safety using the contact information most relevant to the location of the barrier:

Boston campus – 617-636-6610  
Grafton campus – 508-887-4900  
Medford/ Somerville campus – 617-627-3030  
SMFA campus – 617-636-6610
