

READ ACROSS AMERICA DAY

You're Invited

Celebrate Read Across America Day with the YMCA of Greater Boston Thursday, March 2, 2023.

Join us as a guest reader in one of our Early Education Centers or After School sites to help promote a love of reading. Morning and afternoon volunteer opportunities are available.

Books will be provided; however, we encourage volunteers to bring their own favorite children's books.

Donations of new or gently used books are appreciated.
