6. *What are your reasons for choosing your preferred site?*

7. *Please describe your knowledge/previous usage of the chosen sponsor corporation and its product line.*

8. Essay Question - *If you are chosen for this internship, how would you enhance the reputation of Tufts during your time abroad or at another company? How would you act as an ambassador to the University? Answer must be in essay form. Please answer each question completely, giving specific examples in 500 words or less.*

To submit your completed application, please save this document to your computer and either upload it to the web page or email it as an attachment to: Katie.Dunn@tufts.edu.

I attest that I am in good academic standing, and understand that my research activities could be limited if I am placed on academic probation. I have thoroughly read the guidelines and application instructions and fully understand what is being asked of me if I am selected to participate in the Research Travel Program. I understand that my participation in this program is dependent on the availability of funds from the corporate sponsor.
