# Getting Started with Piazza

- **New User:** Follow the Trunk link given to you in the registration email (https://trunk.tufts.edu).
Log in to Trunk using your Tufts Username and Password. **If you have already registered with Piazza, go ahead and log directly into: https://piazza.com/**

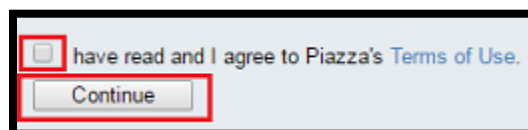

- Find your course in Trunk and click on "Piazza" on the left side of the screen.

Enter your Tufts username and Tufts password to create your Piazza account. Do not use other info.

- Click on the box next to the "Terms of Use" statement and click "Continue. This will bring you to your homepage.
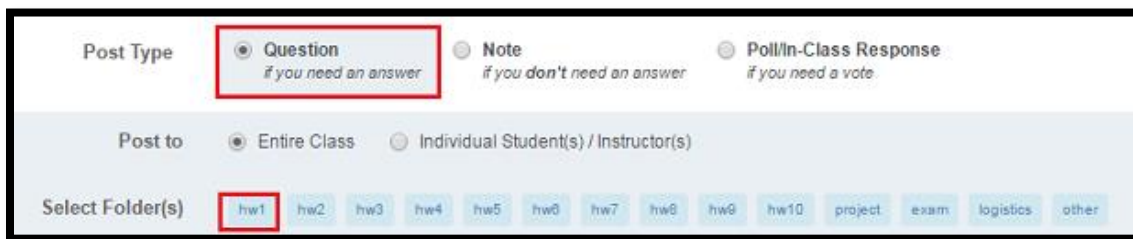

Getting Started with Piazza

- Once logged in to Piazza, you will see a list of posts to the left of your screen. Click on the name of the post to view it.

- To write your own post, click on "New Post" on the top left hand corner of the screen

- Click on the type of post you would like to write. Choose between Question, Note, or Poll. Select a folder for your post.

- Enter a summary for your post, type your question, and click "Post My Question to (course)!"

- To "follow" a post to be notified when others have responded to it, click on the arrow to the left of the post's name and click "follow" from the menu.

For any questions regarding using this tool or trouble accessing, please contact sara.weaver@tufts.edu or Jennipher.murphy@tufts.edu for assistance.
