A WORLD ONLINE:
Which Countries are Ready for the Great Lockdown and Which are Ready to Ease Up?
Shamina Singh

Founder & President, Mastercard Center for Inclusive Growth
Executive Vice President of Corporate Sustainability, Mastercard
A World Considering Lifting Lockdowns: Who’s Ready?

Source: Imagining a Digital Economy for All: IDEA 2030, The Fletcher School, Tufts University

Epidemiological Response: Oxford Stringency Index (Oxford); Testing (OurWorldinData, worldometers.info) and contact tracing (Oxford); Decline in mobility: retail, workplaces, transit (Google).

Lockdown Digital Readiness: Social Distance Readiness, Inclusive and Affordable Internet, Digital Public Services (Digital Planet, Fletcher School at Tufts University)
Strong Epidemiological Response and Digital Readiness

Weaker Epidemiological Response but Strong Digital Readiness
