*Superintendent of Schools*

*Jennifer Meek, C.A.G.S.*  
*Director of Pupil Services*

## **JOB POSTING: Avon Public Schools is seeking a full-time Elementary School Psychologist to be filled immediately**

TITLE: Elementary School Psychologist Full-time position

REPORT TO: Director of Pupil Services; Jennifer Meek

JOB GOAL: The Ralph D. Butler Elementary School is seeking a full time School Psychologist. The Butler school is a PreK-Grade 6 elementary school serving approximately 400 students in Avon and surrounding communities. All applicants must be certified as a School Psychologist in the state of Massachusetts.

### PERFORMANCE RESPONSIBILITIES:

- Responsible for completing educational and school based psycho-educational and psychological assessments and related reports, as well as providing educational recommendations for students in need.
- Responsible for running IEP meetings and all associated paperwork
- Responsible for providing consultation services as requested by school personnel, parents/guardians and school administrators to support the provisions of effective instructional services and emotional/behavioral supports to students within the educational environment
- Responsible for utilizing assessment data to develop appropriate interventions and/or programs to support/enhance student learning.
- Responsible for providing teachers, parents/guardians and other service providers with relevant information from assessments, interventions and/or programs
