

SUMMER LEADERSHIP OPPORTUNITIES WORKING WITH NEURODIVERGENT YOUTH

Akeela supports youth with ASD, ADHD, and similar social communication disorders

Our Communities

Camp Akeela is a coed traditional overnight summer camp in Vermont set on 400 acres in the picturesque Green Mountains of Vermont.

Beyond Akeela infuses a college readiness program (nonacademic) into a fun and socially immersive camp on a college campus in New Hampshire.

What You'll Get...

- Unparalleled hands-on experience with neurodivergent youth
- Hone your leadership, collaboration, and critical thinking skills
- Supervision experience with support from experienced mentors
 - Build your resume and social/professional network
 - Competitive salary package, including room & board, travel allowance, and meals

Your Role at Camp...

Coach: Mentor energetic staff members to be effective coaches for youth with ASD & ADHD.

Collaborate: Work with leadership team and parents to develop camper behavior plans and goals.

Communicate: Share progress updates with parents and effectively communicate camper goals to staff.

Build: Support skill building in areas like executive functioning, self-advocacy, and time management.

Play: Actively participate in camp activities alongside the campers. Have fun!

...is FUN & professionally fulfilling!
