

AoPS Academy

Lexington Campus

$$\lim \int_1^b \frac{1}{x^2} dx$$

WE'RE HIRING

After-School Math & Language Arts Instructors

AoPS Academy Lexington is seeking energetic instructors to teach after-school and on weekends. Joining our team gives you the opportunity to guide our highly motivated students through solving complex problems in a collaborative student-led classroom.

WHY AOPS ACADEMY?

- Teach in dynamic classes that focus on participation, inquiry, and problem-solving.
- Small class sizes with motivated elementary, middle, and high school students.
- We provide the curriculum so you can spend more time teaching.
- Flexible schedule with minimum commitment of 3 hours a week.

REQUIREMENTS

- A Bachelor's degree in related field
- Experience working with students, preferably grades 2-12.
- A passion for leading the next generation of problem solvers.
