Job Description

Full time positions supporting middle and high school age students with low/ moderate disabilities across all areas of development.

Responsibilities Include:

- Develop and implement academic lessons following Massachusetts Curriculum Frameworks and differentiate/modify those lessons according to students Individualized Education Plans
- Create, modify and differentiate lessons based on individual needs of students
- Utilize instructional methods and materials that are most appropriate for meeting stated objectives including planning for individual, small, and/or whole group activities
- Implement behavior intervention strategies
- Collaborate with appropriate staff and/or parents to develop an Individualized Education Program (IEP)
- Conduct developmental or educational evaluations and observations; write and present reports for team consideration

- Conduct or supervise data-collection, summarize results for student records and prepare written progress reports
- Ensure required paperwork is completed and submitted according to their designated timeline
- Assign tasks to support staff and review their daily work with students
- Communicate student progress to parent/guardians and serve as a liaison between parents and the school
- Collaborate and communicate with other professionals including building administrators, related service providers, Special Education Director and consultants, to develop approaches that benefit each student to assure that making effective progress
- Provide assistance for students transitioning to adult services where appropriate

Preferred Skills:

- Strong communication skills
- Knowledge of curriculum modification
- Experience with behavior management/de-escalation strategies
- Possesses a strong belief that all students can learn and be successful in school
- Demonstrates a mindset that focuses on assets & growth, as opposed to deficits
- Ability to demonstrate competence in social emotional learning techniques
- Willingness to try various approaches, depending on student needs
- Ability to collaborate and communicate effectively with other special education staff and other colleagues in a professional manner
- Excellent organizational and time management skills
- Utilize data and reflection to plan for supports and interventions
- Ability to seek resources and solutions to effectively solve problems

Minimum Requirements:

- DESE Licensure Teacher of Students with Moderate Disabilities (PreK-8 or 5-12)
- SEI Endorsement

Reports to:

- Building principal and Special Education Team Administrator
- Director of Special Education & Special Education Coordinator
