TEACHING FELLOWSHIP INFORMATION SESSION

LEARN ABOUT AUW'S TEACHING FELLOWSHIP

Asian University for Women (AUW) is committed to the education, empowerment, and leadership development of exceptional women from Asia and the Middle East. To support this mission, **AUW invites recent graduates to join as Teaching Fellows.** These fellows play a crucial role across various academic programs and take on diverse teaching responsibilities throughout the university. The year-long fellowship, which starts in **mid-July**, is essential for advancing AUW's goal of cultivating future leaders. The university prioritizes admitting students from underserved backgrounds, such as garment workers, Rohingya refugees, tea plantation workers, and others.
