#### Comments:  
This is a Review Course for the National Board Part II Examination. Program Coordinator MUST block students from clinic. In 2008-09 Academic Year, moved to winter trimester. **Kaplan Practice Exam. 30 hours plus 4 hours of Kaplan Exam on 4/2/2009 In 2010 -11 deleted 3rd session for Perio and added 2nd session for Prosthodontics. In 2011 -12: Many of these sessions are now recorded and posted to TUSK, (dates are indicated on sheet) students are NOT blocked in clinic for these dates. These dates create conflicts with ICE II mini-lectures that typically happen in Merritt 4:30 – 5, specific dates in 2012-13 are, Feb 19th and 26th. In ICE II schedule, note that for those two dates, they will be using room 848 for the mini-lecture.

Comments: New in 2009:00am-10, IS students attend during Endodontics (Year 2) course on March 11. In 2010 – 11, there was a double booking issue, Feb 4th date was scheduled for 1411 and this was not included on CDS. Circle back with Dr. Antonellou to see if she would like to use 1411 in 2011-12, though historically they have wanted to continue using 848. CD’s prefer 848. New for 2012-13: We moved the workshop dates to later in the year to ensure there is adequate equipment supply. The workshops are conducted at the very end of the winter semester and the very beginning of the summer trimester. Y4 will cover Y3 rotations on scheduled dates.  
IS class in not required to attend, as they are concurrently enrolled in Endo course.

Comments:  
Each Student has two sessions, Amalgam CE and Composite CE. In 2010-10, one half of the class is assigned to each session. Students are required to bring Student Identification, all of their hand pieces, Kilgor operative typodont.  
CAUTION: Because of equipment limitations, this should not be scheduled during the Post Workshop conducted by Dr. Antonellou.  
2012 – 13: CD requested that the dates for this be the Monday and Wednesday of consecutive weeks in order to move the students through quicker, as this a prerequisite for their actual clinical competencies.
