Please join us for a campus-wide exposition of the GIS work being done at Tufts University. We are looking for students to present their work at Tufts Tenth Annual GIS Poster Exposition. Students will present their work along with Tufts faculty and staff. Refreshments will be provided.

Awards: Two “Best of Show” prizes of $100 each and four runner-up awards of $50 each will be awarded to students.

Evaluation Criteria: Entries will be evaluated on both content and design. Please see the attached Student GIS Poster Evaluation Criteria.

Eligibility: Any Tufts undergraduate, graduate student, or student group are eligible for the awards. Faculty and staff are also encouraged to contribute their posters.

Specifications: Posters must include (1) your name(s), (2) department, (3) title, (4) date. Maximum size: 30” x 40”

Registration: If you are not in a GIS class and plan to submit a poster, please RSVP to Carolyn.Talmadge@tufts.edu by Monday, May 9th.

Printing Deadline: GIS Posters can be printed in the Data Lab through Monday, May 9th. Printing services are also available through the Digital Design Studio (DDS) in Tisch Library for a fee.
