Marina was great at finding the balance between being helpful in class while giving the students the space to participate fully

Marina is so patient, friendly, knowledgeable and kind!

Very prompt and thorough, explains concepts and assignments well

Marina was a brilliantly kind and helpful TA. She managed to get me up to speed on content I was unfamiliar with.

Marina was FANTASTIC!! She was incredibly, kind, supportive, and knowledgeable. She spent hours outside of class helping me with various projects that she was not obligated to work so hard on. She was always willing to help with any problem.

Marina was such a nice presence to have in the class and was certainly an extremely qualified resource if there were ever any questions.

Marina fulfilled her role but the role itself was limited for the specific class.

Marina was probably the best TA I've ever had. Highest recommendations.
