

GRAP 2022

Digital public spaces across Western Europe

A systematic investigation of design and planning strategies

Cardiff,
Wales

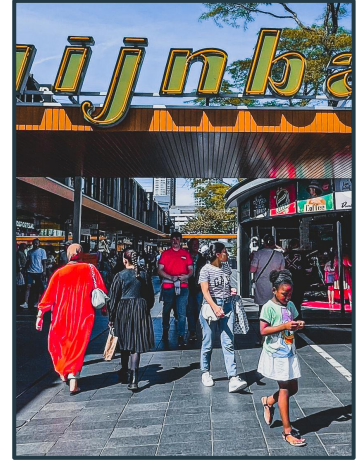

Berlin,
Germany

Paris,
France

London,
England

Rotterdam,
Netherlands

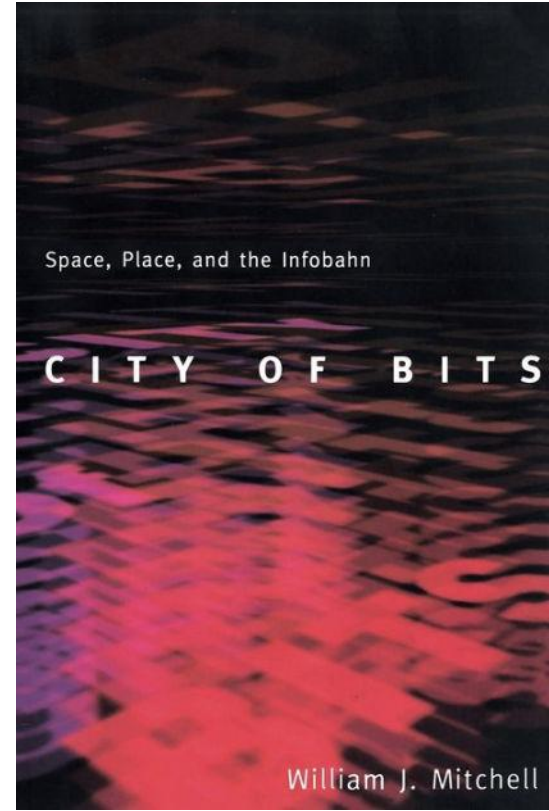

Research Outline

Research questions

- How is successful tech implementation measured? What metrics are used?
- What is the cost/benefit of transitioning to online/digital?
- How has COVID-19 impacted Mitchell's vision (work/school/play)?

Methods

- Outreach and networking on the ground and virtual
- Interviews
- Coded interview data
- Final report

Experience

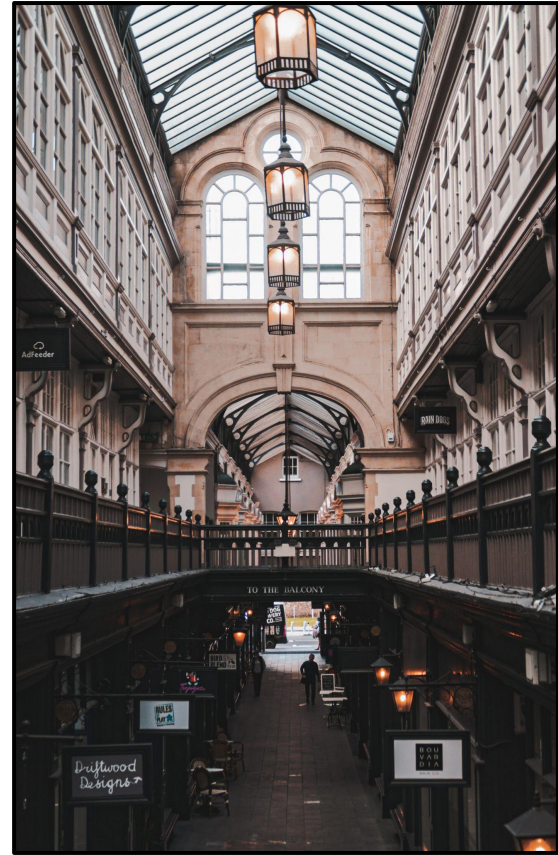

Collaboration

Dr. Ruth Potts, Cardiff University

Ruth, PhD in Water Management

Technische Universität Berlin

Castle Quarter Arcades

Converting challenges to opportunity

- **Technological development and/or implementation**
 - Professional background
- **Communication**
 - Accessibility (language)
 - Geographical context

Dan Mohamed, CEO of Urban Intelligence

Future Plans

Research

- Refining research questions
- Design and Development
- Qualitative and Quantitative approaches

Collaboration

- Multi-cultural perspective
- Multi-disciplinary perspective
- Lasting relationships

Thank you!
