

Sound Booth (A201)

Studio Policies

Spring 2024

Studio Manager: Ben Aron

Email: benjamin.aron@tufts.edu

Office: B020

Studio Overview

This studio contains a professional sound booth and the necessary equipment to comfortably record two vocalists. The sound booth is a VocalBooth Diamond Series that has non-parallel walls to reduce standing waves, and a spacious interior of approximately 85 square feet. While the space is optimized for recording vocals or interviews, it can be easily reconfigured for other types of recording. The technology in the studio is designed to be flexible, accommodating both individual users and groups.

Studio Access

This studio is a community resource and is available to all Tufts students, faculty, and staff. A training or studio orientation is not required to gain access. However, if you would like to schedule a training, please reach out to the Studio Manager.

Users can reserve time in the studio through the [Patron Portal](#) online reservation system. The Sound Booth has a maximum checkout time of 2 hours. Please respect the reservations set by other users.
