

Parental Information Waiver Request

To be considered for institutional financial aid, applicants are required to submit financial information from each of their parents regardless of the parents' marital status. If circumstances exist that prevent you from submitting a parent's information, please reach out to the financial aid office for guidance if the circumstances described below are not applicable.

Submission of this form and the documentation listed below are required to *request a waiver of a parent's information* due to **estrangement** or parental absence making it impossible for you to secure the information. In most cases, the estrangement would be defined as being long-term and permanent in nature and applicable to all areas of your relationship.

A waiver will **NOT** be considered for the following circumstances:

- 1) Reluctance to request the information from parents.
- 2) Unwillingness of a parent(s) to provide the required information.

To request a waiver, you must:

- 1) Submit a letter stating the extenuating circumstances.
- 2) Submit a letter from a third party who knows you in a professional capacity who has knowledge of your situation and who can verify your circumstances (counselor, physician, attorney, member of clergy, teacher).
- 3) Sign, date and return this form along with the required documentation. [Tufts Box Upload](#)
