

The Tufts Literacy Corps presents

# Literacy and the Arts

A Different Summer Experience for Elementary School Children

This program offers focused, one-on-one tutoring in the context of an *extraordinarily* fun summer day.

Every morning, your child will work with his or her tutor on writing and targeted academic skills. Creative writing is our centerpiece. We use art, literature and drama to inspire children to express themselves on paper. In addition, we will work with you to develop an individualized tutoring agenda for your child. Our talented, well-trained, college-age tutors help children recognize print, read aloud more fluently, learn to keyboard, and memorize times tables. Each child's plan depends on his or her particular needs.

The rest of day is simply fun. An energetic crew of Tufts athletes, drama leaders and artists are on hand to play with your children. They engage the children in sports on the Tufts fields, and entertain them with hilarious drama games. We give children a wide range of choices, so our summer afternoons feel like summer. What better way to spend the not so lazy days of summer?
