### **Permission to Photograph, Audiotape, Videotape and Display Work:**

We take lots of pictures during the Literacy & the Arts/Science camps, which we post on the Tufts Literacy Corps website and on campus. Both programs also showcase the children's writing, art and science projects, and children and counselors often create movies together.

My child may be photographed.

### Permission to Walk to Nearby Sites with Counselors

I give my child, \_\_\_\_\_, permission to walk with the Literacy & the Arts staff to nearby sites. This includes walks to **Powder House Park** and the **Tufts athletic fields** on College Avenue.

### Permission to Swim

I also give permission for my child to walk with Literacy & the Arts staff to the **Medford Community Pool at 449 Main St, in Medford**. Trips to the pool include both swimming and playing on the playground next to the pool.

### Please answer the following questions and let us know more about your child. Feel free to use additional space. Thanks!

1. Please describe your child, including favorite activities, personal strengths and academic needs. If you are signing your child up for the Science Camp, please include a description of his or her favorite science activities and strongest interests.
2. What would you like your child to learn, or master, this summer?
3. Does your child have any health issues that will affect his or her summer activities? Are there special health issues we should know about?
4. Has your child struggled to manage his or her behavior in school? Please explain:
5. What is the best kind of setting for your child? How does he or she learn best? Has your child been evaluated for learning difficulties? If so, please let us know how we can best support your child's learning.
