Place: Havurat Shalom, 113 College Avenue, Somerville 02144

Cost: \$1350.00 for the three-week session

Literacy & the Arts is offering one three-week session this summer. As always, the children will work with their own tutors every morning. Do your kids love science? They will have the chance to research and create the science projects of their choice. Those who prefer art, stories and drama can focus on creative writing, painting or poetry. Our goal is to engage children in the thrill of learning and inspire them to express themselves in writing.

Brushing Up on Skills

Will your child benefit from developing specific academic skills this summer? If so, we will work with you on an individualized tutoring agenda. Our talented, college-age tutors help children read more fluently, spell proficiently, and memorize times tables. Each child's plan depends on his or her particular needs.

The rest of day is simply fun. An energetic crew of Tufts athletes, scientists, drama leaders and artists are on hand to play with your children. They engage them in sports on the Tufts fields and entertain them with hilarious drama games. We give children a wide range of choices, so their afternoons are relaxed, but engaging. What better way to spend the not so lazy days of summer?

Registration: \$100 nonrefundable deposit. Full tuition due before May 31, 2024.
Tuition assistance is available. Please contact Cynthia.Krug@tufts.edu with questions.
