

Middle School Tutoring Registration Form

To register your child for tutoring, please complete this form and send it to the Tufts Literacy Corps at tuftstlc@gmail.com. When we receive your form we will forward it to one of our tutors, who will then contact you.

Tutors and parents work out their tutoring schedule together. For middle schoolers, we recommend at least one in-person session a week, which can then be followed up with as many additional Zoom sessions as you and your child would like.

Permission For Your Child's Teacher to Speak With Members of the Tufts Literacy Corps

To give your child's teacher permission to speak with us, please send a joint email to the teacher and the tutor. In the email, let the teacher know they have your permission to speak with your child's tutor AND with Dr. Cynthia Krug, the Program Director of the Tufts Literacy Corps.

Please note: We require our tutors to make a commitment to working with your child through April of the Tufts academic year. We ask that parents/guardians also take the tutoring seriously. Although some cancellations are unavoidable, we hope you cancel as few sessions as possible and sustain the tutoring relationship through April. This is important for the tutoring to be effective. Thank you!
