OCCASIONAL PAPER #31

December 2021

The **World Peace Foundation**, an operating foundation affiliated solely with the Fletcher School at Tufts University, aims to provide intellectual leadership on issues of peace, justice and security. We believe that innovative research and teaching are critical to the challenges of making peace around the world, and should go hand-in-hand with advocacy and practical engagement with the toughest issues. To respond to organized violence today, we not only need new instruments and tools—we need a new vision of peace. Our challenge is to reinvent peace.

The **Conflict Research Programme** at the London School of Economics (LSE) aims to understand why contemporary violence is so difficult to end and to analyze the underlying political economy of violence with a view to informing policy. The research sites include Iraq, Syria, Somalia, and the Democratic Republic of the Congo.
